### 3. EMPLOYMENT SCHEME AND STIPEND

a) For purposes of equivalence in terms of payment, the approved candidate will be classified in the categories of Assistant Professor, Associate or Full Professor, according to Annex I of the aforementioned Notice PV 02/2022 - PRPPG/ UFBA HIRING A VISITING TEACHER 2022.

b) The contracted person will have a work schedule of 40 hours per week with Exclusive Dedication.

c) Interested candidates must forward the following documents, until July 11, 2022, to the email [secretaria.ppgpsi@ufba.br](mailto:secretaria.ppgpsi@ufba.br) :

1. Candidates shall provide a work plan of 4 (four) pages max, detailing academic and scientific activities to be carried out within the aims of the PPGPSI, during the contract period. The work plan must be submitted in PDF format, dated and signed by the candidate. The plan should not be configured as just a research project, since research is one of the elements that make up the activities to be performed during the contract. The expected results of teaching and research activities, as well as the schedule, must be part of the Plan;

2. Candidate's CV in PDF format.

3. Application form, available at

[https://capesprint.ufba.br/sites/capesprint.ufba.br/files/ficha\\_de\\_inscricao\\_professor\\_visitante\\_brasil\\_1\\_05\\_220622\\_0.docx](https://capesprint.ufba.br/sites/capesprint.ufba.br/files/ficha_de_inscricao_professor_visitante_brasil_1_05_220622_0.docx)

### 4. SELECTION CRITERIA

a) The selection will be based on the analysis of the CV and the work plan. Selection will be carried out by an Internal Commission of PPGPSI, especially designated for the purpose and approved by its Board.

b) The work plan must explain activities and expected products/results as outcomes of the action of the candidate within the scope of the PPGPSI, his/her area(s) of interest and line(s) of research).

c) Priority will be given to candidates with characteristics of seniority; relevant scientific production; professional and supervising experience. Candidates should effectively contribute to the development of the scientific production of the PPGPSI research groups, teacher training and of cooperation networks, also outside UFBA, enabling joint action proposals that result in academic-scientific production.

d) In order to apply, the candidate must demonstrate relevant scientific production and experience as supervisor according to the criteria adopted by the PPGPSI for accreditation of permanent accredited Professor.

#### 4.1. THE PPGPSI INTERNAL COMMITTEE WILL EVALUATE THE PROPOSALS, CONSIDERING THE FOLLOWING WEIGHTED CRITERIA:

Criteria	Weight
Curriculum of the tutor professor, considering the scientific production	20%
Work plan, with adherence to Capes/Print	35%
Candidate's CV	45%

In the event of a tie, in the candidates' assessment, priority will be given to:

A. Seniority, characterized by the experience accumulated in the typical activities of stricto sensu postgraduate studies;

B. Gender equity and minority ethnic-racial background.
